

CONFERENCE COMMITTEE REPORT DIGEST FOR ESB 315

Citations Affected: IC 12-10; noncode.

Synopsis: Aging and long term care services. Conference committee report for ESB 315. Provides that a person who has made certain asset transfers is not eligible for residential care assistance. Requires the adoption of rules to implement: (1) a screening and counseling program for individuals seeking long term care services; (2) a process of prior approval for certain individuals seeking admission to a nursing facility; and (3) the annual review of Medicaid rates. Prohibits the state department of health from approving the certification of new or converted comprehensive care beds for participation in the Medicaid program until July 1, 2011, unless the state comprehensive care bed occupancy rate is more than 95% in health facilities. Allows for an exception for replacement beds and continuing care retirement communities under development if specified requirements are met. Makes conforming and technical changes. **(This conference committee report: (1) removes language that transferred the adult guardianship program from the division of aging to the division of disability and rehabilitative services; and (2) adds language that exempts certain continuing care retirement communities under development from the limitation on Medicaid comprehensive care beds.)**

CONFERENCE COMMITTEE REPORT

MR. SPEAKER:

Your Conference Committee appointed to confer with a like committee from the Senate upon Engrossed House Amendments to Engrossed Senate Bill No. 315 respectfully reports that said two committees have conferred and agreed as follows to wit:

that the Senate recede from its dissent from all House amendments and that the Senate now concur in all House amendments to the bill and that the bill be further amended as follows:

- 1 Delete everything after the enacting clause and insert the following:
- 2 SECTION 1. IC 12-10-6-2.1, AS AMENDED BY P.L.99-2007,
- 3 SECTION 61, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
- 4 JULY 1, 2008]: Sec. 2.1. (a) An individual who is incapable of residing
- 5 in the individual's own home may apply for residential care assistance
- 6 under this section. The determination of eligibility for residential care
- 7 assistance is the responsibility of the division. Except as provided in
- 8 subsections (g) and (i), an individual is eligible for residential care
- 9 assistance if the division determines that the individual:
- 10 (1) is a recipient of Medicaid or the federal Supplemental Security
- 11 Income program;
- 12 (2) is incapable of residing in the individual's own home because
- 13 of dementia, mental illness, or a physical disability;
- 14 (3) requires a degree of care less than that provided by a health
- 15 care facility licensed under IC 16-28; ~~and~~
- 16 (4) can be adequately cared for in a residential care setting; **and**
- 17 **(5) has not made any asset transfer prohibited under the state**
- 18 **plan or in 42 U.S.C. 1396p(c) in order to be eligible for**
- 19 **Medicaid.**
- 20 (b) Individuals with mental retardation may not be admitted to a
- 21 home or facility that provides residential care under this section.
- 22 (c) A service coordinator employed by the division may:

1 (1) evaluate a person seeking admission to a home or facility
2 under subsection (a); or

3 (2) evaluate a person who has been admitted to a home or facility
4 under subsection (a), including a review of the existing
5 evaluations in the person's record at the home or facility.

6 If the service coordinator determines the person evaluated under this
7 subsection has mental retardation, the service coordinator may
8 recommend an alternative placement for the person.

9 (d) Except as provided in section 5 of this chapter, residential care
10 consists of only room, board, and laundry, along with minimal
11 administrative direction. State financial assistance may be provided for
12 such care in a boarding or residential home of the applicant's choosing
13 that is licensed under IC 16-28 or a Christian Science facility listed and
14 certified by the Commission for Accreditation of Christian Science
15 Nursing Organizations/Facilities, Inc., that meets certain life safety
16 standards considered necessary by the state fire marshal. Payment for
17 such care shall be made to the provider of the care according to
18 division directives and supervision. The amount of nonmedical
19 assistance to be paid on behalf of a recipient living in a boarding home,
20 residential home, or Christian Science facility shall be based on the
21 daily rate established by the division. The rate for facilities that are
22 referred to in this section and licensed under IC 16-28 may not exceed
23 an upper rate limit established by a rule adopted by the division. The
24 recipient may retain from the recipient's income a monthly personal
25 allowance of fifty-two dollars (\$52). This amount is exempt from
26 income eligibility consideration by the division and may be exclusively
27 used by the recipient for the recipient's personal needs. However, if the
28 recipient's income is less than the amount of the personal allowance,
29 the division shall pay to the recipient the difference between the
30 amount of the personal allowance and the recipient's income. A reserve
31 or an accumulated balance from such a source, together with other
32 sources, may not be allowed to exceed the state's resource allowance
33 allowed for adults eligible for state supplemental assistance or
34 Medicaid as established by the rules of the office of Medicaid policy
35 and planning.

36 (e) In addition to the amount that may be retained as a personal
37 allowance under this section, an individual shall be allowed to retain
38 an amount equal to the individual's state and local income tax liability.
39 The amount that may be retained during a month may not exceed
40 one-third ($1/3$) of the individual's state and local income tax liability for
41 the calendar quarter in which that month occurs. This amount is
42 exempt from income eligibility consideration by the division. The
43 amount retained shall be used by the individual to pay any state or local
44 income taxes owed.

45 (f) In addition to the amounts that may be retained under
46 subsections (d) and (e), an eligible individual may retain a Holocaust
47 victim's settlement payment. The payment is exempt from income
48 eligibility consideration by the division.

49 (g) The rate of payment to the provider shall be determined in
50 accordance with a prospective prenegotiated payment rate predicated
51 on a reasonable cost related basis, with a growth of profit factor, as

determined in accordance with generally accepted accounting principles and methods, and written standards and criteria, as established by the division. The division shall establish an administrative appeal procedure to be followed if rate disagreement occurs if the provider can demonstrate to the division the necessity of costs in excess of the allowed or authorized fee for the specific boarding or residential home. The amount may not exceed the maximum established under subsection (d).

(h) The personal allowance for one (1) month for an individual described in subsection (a) is the amount that an individual would be entitled to retain under subsection (d) plus an amount equal to one-half (1/2) of the remainder of:

(1) gross earned income for that month; minus

(2) the sum of:

(A) sixteen dollars (\$16); plus

(B) the amount withheld from the person's paycheck for that month for payment of state income tax, federal income tax, and the tax prescribed by the federal Insurance Contribution Act (26 U.S.C. 3101 et seq.); plus

(C) transportation expenses for that month; plus

(D) any mandatory expenses required by the employer as a condition of employment.

(i) An individual who, before September 1, 1983, has been admitted to a home or facility that provides residential care under this section is eligible for residential care in the home or facility.

(j) The director of the division may contract with the division of mental health and addiction or the division of disability and rehabilitative services to purchase services for individuals with a mental illness or a developmental disability by providing money to supplement the appropriation for community residential care programs established under IC 12-22-2 or community residential programs established under IC 12-11-1.1-1.

(k) A person with a mental illness may not be placed in a Christian Science facility listed and certified by the Commission for Accreditation of Christian Science Nursing Organizations/Facilities, Inc., unless the facility is licensed under IC 16-28.
